Dear Ken

On behalf of Winangali-Marumali I am pleased to provide a letter of support to the Gamarada Men's Self Healing Program.

As a result of recent discussions with you I believe that the foundation of the program is solid, and is based on respect, integrity and cultural understanding of our past history whilst addressing the needs of men from all walks of life.

The healing process for men needs to take place, and it is crucial this program be supported in every way.

I would like to congratulate all of those who had the vision to put this wonderful program together, you are all strong role models in the community.

I wish you all the success and continuing support for the future.

Warm Regards

Lorraine Peeters
